

MOBILITY AGREEMENT

As a participant in the Career Intern Program, U.S. Department of Agriculture (USDA), Natural Resources Conservation Service (NRCS), I understand and agree that geographic mobility may be required for: career advancement, to address workload needs, or for placement into a permanent position.

I will be willing to accept assignments at other geographic locations within the state in which I am employed, as part of the Career Intern Program.

I understand that a violation of the terms of this AGREEMENT will result in automatic removal from the Career Intern Program. I freely and voluntarily, without coercion, knowingly agree to waive any and all rights to file a grievance or otherwise contest actions related to the conditions of this AGREEMENT, including my termination or removal, should any violation of the AGREEMENT occur.
